Dear Dr. Dai,

On behalf of the Scientific Program Committee, we are delighted to inform you that the abstract “No adverse effect of Bt Cry9Ee toxin on honey bee brood and adults reared in vitro, Apis mellifera (Hymenoptera: Apidae)” has been accepted a POSTER PRESENTATION.

The exact date for the poster display will be communicated separately by the end of June.

We would like to kindly remind you of the following deadlines for your abstract to be included in the Scientific Program and the Abstract Book:

- The Presenting Author of the accepted abstract must register for the Congress before July 21, 2019.
- Each registered presenting author may present a maximum of 2 abstracts (1 oral presentation and 1 poster, or 2 posters).
- If the presenting author of the accepted abstract is unable to attend the Congress, the abstract must be withdrawn by July 21, 2019.
- After July 21, 2019 abstracts whose presenting author is not registered will be withdrawn by default and thus will not be included in the Scientific Program or in the Abstract Book.

Presenting authors will be granted an EARLY REGISTRATION FEE until July 21, 2019: after that date the regular registration fee will apply.

REGISTRATION

Presenting authors can receive the EARLY REGISTRATION FEE by following the procedure below:
